

How far can you go?

Helping
YOU
to fulfil
your potential
with your
**Foundation
Apprenticeship**

No Limits gives you a wide range of FREE SUPPORT.

You'll get a dedicated mentor giving you 121 support to help you make a success of your chosen Foundation Apprenticeship. Face-to-face support within dedicated spaces in school or community, with check-in calls on the phone, or on Teams, or WhatsApp, or FaceTime – whatever works for you!

It's a quick and easy referral process through your learning provider or school.

To find out more contact: nolimits@thewisegroup.co.uk

**As part of the support,
you'll also have access to:**

- Experience days with employers and leaders in industry
- The chance to design key activities that will enhance your learning
- Optional fun days out such as hill walking, water sports, museum trips, cinema, bowling and much more.
- Meta-skills sessions
- Well-being sessions
- An end of year party
- Support for the whole family

You will also get:

- Tailored 121 support to help you sustain and succeed with your Foundation Apprenticeship
- A dedicated Mentor through your school year that allows you to build and develop trust together.
- Support that offers solutions, advice and guidance that ensures you gain as much positive experiences progressing through your academic learning.
- A joined-up service with your school, learning provider and Wise Group to ensure you are accessing all support services easily.
- Drop-in sessions
- Insight into the world of work to motivate, inspire, and build confidence in you, helping you to stand out when taking your next step after school.
